SOFT CORPORATE OFFER

We hereby state that willing and able to sell and deliver the Goods as stated below:

Grade ¹	Moisture ²	Dimentions ^{3,4}		
		Thickness (mm)	Width (mm)	Length (mm)
Sawed timber SPRUCE (Picea abies Karst)				
unsorted	> 22%	25	100, 120	6000, 4000
unsorted	> 22%	40	100, 120	6000, 4000
unsorted	> 22%	50	100, 120, 200, 250, 300	6000, 4000
unsorted	> 22%	63	200, 250	6000, 4000
unsorted	> 22%	75	200, 300	6000, 4000
unsorted	> 22%	100	100	6000, 4000
Additional information and conditions:				
1. Unsorted means that the Goods are including grades 1, 2, 3, the percentage of which should correspond to the natural output of lumber sawing.				
2. The average humidity range of the Goods during loading is 25% - 35%.				
3. When ordering sizes, preference is given to orders containing several sizes that meet the principle of optimal trunk sawing.				
4. It is possible to discuss the values of sizes that differ from those indicated in the table.				
The Goods is made from raw materials cut down in the northern region of Russia, which guarantees high quality wood.				

Origin: Russian Federation.

Delivery terms: DAP Astara (554503).

Shipment period: up to one month.

Packaging: in bulk.

Payment terms: 50% of contractual volume to be paid against confirmation of wagons, 50% to be paid against copies of shipping documents but anyway before discharge. In case of payment delay all costs inclusive demurrage of wagons to be for Buyer's account.

Price: to be discussed separately.

To make a detailed offer, please send to info@uksot.ru the following information:

- ❖ Buyer's company full profile;
- ❖ the total volume Goods, broken down into the desired sizes;
- ❖ acceptance of the proposed Terms of payment for the Goods.

Detailed information about the Goods is provided on our website: <https://uksot.ru/en/SawedTimber/Spruce.html>
